

Marlington Band Booster meeting

Tuesday, November 19th, 7:00pm in the MHS band room

Attendance for this meeting is at the end of the minutes

Booster President Betsy Libby called the meeting to order at 7:06pm

Betsy asked for Committee Reports

Treasury Report - Erin Powers - Treasurer

Erin read the treasurer's report for September . It can be found at the end of the minutes.

Concessions

- WiFi - seems to be working ok at the playoff game. Ben Davis can help troubleshoot if need be. We might have issues at home games due to bandwidth issues
- Football season is over!!!!
- Playoff game - had a good night in sales
- Might continue selling hot chicken sandwiches for indoor concessions
- Moved away outdoor concessions inside, kept the home side for now in case there's another playoff game
- Locks have been changed - Becky has the updated key
- If the kids work 2 concession stand shifts, they earn a free ticket to the band banquet. Any shifts after that can count toward their community service hours

Fundraising

- Beef raffle tickets - raised 2.700
- November 21st - Chipotle dine and donate
- December - bake sale at Frosty's. Donate to have a photo with the Grinch?
- January - Pepperoni Rolls

How do we drive more ticket sales for the beef fundraiser

- Have students sell a certain number of tickets each
- Parent square notifications out to the district
- Announce before band performs
- Sell in the stands

Frosty's

- Can drop off items for bake sale the night before or early in the morning
- P is working on songs that kids can put together and play
- 4-6 kids in each group
- Kids will run the bake sale

Band Manager

- Scrapped old timpani - got 235.00 from it
- Scrapped old top of the truck - got 40.00 from it
- Wants to get a cover for the truck since the truck can't fit in the storage container easily
- Make decision to buy cover - voted yes - 1st by Becky and second by Carrie Lane
- Truck undercoating - would like to get it undercoated. Called for a vote to undercoat the truck - 1st by Chris, second by Carrie Lane. Band Boosters will pay for the undercoating

Band Council

- Playing tests are coming up
- Sign ups for playing times at Frosty's

Old Business

- Michelle will be coming in next week to fix a few items to be ready for concert season
- Need to find someone to fix zippers
- Group band picture - \$10/per student gives access to all photos. The cost covers blowing up the photo, the frame and the rest goes to Mr. Marshall

New Business

- S&E - fundraising dinner changed to Friday, 1/10. Would like to have it in the cafeteria rather than the Moulin Center. We are serving chili instead of rigatoni. There will be 36 performances between band and choir. There's a bowling match that night so we'll have to schedule the bowling kids to perform later in the evening. We need raffle baskets. The kids perform at S&E on Saturday 1/11 at Massillon.

Director's Report

- Playing tests almost done and results will be posted soon. The seats won't change for the Christmas concert, but will change for the following concert.
- Honor's band - 5 students participating at Akron U. Those kids will miss school on Friday, 12/6 and perform on Saturday, 12/7. They will wear their concert attire.
- Have nominated 4 kids from the middle school for their honors band.
- Newsletter has been sent out for S&E
- TV should be installed in the band room soon to replace the projector screen
- Declined to participate in the Alliance Christmas parade
- NYC trip - room list will be coming out this week

Upcoming dates

12/7 - Frosty's
