

Marlington Band Booster meeting

Thursday, September 12, 7:00pm in the MHS band room

Attendance for this meeting is at the end of the minutes

Booster President Betsy Libby called the meeting to order at 7:06pm

Betsy asked for Committee Reports

Treasury Report - Erin Powers - Treasurer

Erin read the treasurer's report for both July and August. It can be found at the end of the minutes.

Concessions

- Away side- food left behind from another group back in August
- A new pop cooler found after organizing the popcorn room
- Away band kids - each kid gets a ticket for a hotdog or bag of chips and a band water. Tickets redeemed only at away concessions
 1. Betsy asked for a vote to continue the hotdog and water for away band kids. First vote was Carrie Lane Angela Cole was the second
- Grill isn't working- currently have to use the oven to cook hotdogs and sausages
- Sausages - cost is 1.49 to make, sells for 5.00, more profitable than Arby's sandwiches
- Dollar Dog night - upcoming football game on 9/20. Office Collins donated the dogs and buns for the event
- Credit card machine not working on the away side, having WiFi issues. Had to use a hotspot to make it work
- Concession stand sign ups - parents need to sign up by Thursday if helping out
- Referee meals - discussed providing meals for the referees in exchange for band parents being able to get into the football games.
 1. Betsy called for a vote to continue this with the referees. Motioned by Michelle Hosmer, Carrie Lane was second
- This Saturday's concession stand shift is covered!!!!!!

Fundraising

- Text Fundraiser- decided to do it again next year since it was successful this year
- Cane's - money hasn't been received from fundraiser yet
- Beef Raffle - 15 tickets is all we needed to sell to cover the processing cost. We have sold 40 tickets so far
- Popcorn - starts on 9/11 and order forms need to be turned in on 9/27. 7th and 8th grades are part of the fundraiser, 6th grade is not. 50% of this will go to NYC, the other half will go to the general band fund.

- Bake sale - will be having the sale during 2 different home football games - Homecoming/Alumni night and Senior night. All proceeds from the bake sale will go to the NYC trip
- November - Chipotle dine and donate
- December - bake sale at Frosty's
- January - Pepperoni Rolls

Band Manager

- Will use props at the Louisville football game
- The school van will be used to pull the prop trailer. Kids aren't allowed to ride in it

Band Council

- The first band council meeting will be held on 9/24
- Suggested Casey's ice cream as a potential fundraiser. We'd get 23-30% profit from this. Is this something that would work for us?

Old Business

- Sponsor banner has been hung up at the away concession stand
- The truck payment will need to be made this fall

New Business

- Timpani - got a quote for a newer timpani which is \$12,295. We could use half of the money from the text fundraiser, the other half would have to come from the band fund. A vote is needed to proceed with the purchase.
 1. Voted yes by Becky Cobb, second by Angela Cole. \$6,718 will have to come out of the band fund for the purchase.

Akron/Hoover Band competitions

- We will be feeding the kids between the 2 shows. We are looking at Dogwood Park in North Canton as a stopping place, coming back to the HS would be out of the way.
- Michelle Hosmer coordinating the food. She's picking up subs, but we need donations of water, cookies and chips

Director's Report

- We will be performing the competition show at the Louisville game
- The band has worked part of the drill and music for song 4
- RTG for the Akron show is 9am
- The field commander and 2 seniors will be on the field for the awards
- We will stop at Dogwood park in between shows to feed the kids and give them some downtime
- Homecoming game is also alumni night. It will probably be busy because one of the old band directors will be there during pre-show
- The 8th graders will participate with the band during the last home game of the season

Upcoming dates

9/17 - prop training at 6pm

10/8 - parent performance, no time set yet

Questions???

NYC trip - how many chaperones will be in each room? 2, but can be 4 to cut the cost, the choice is up to the chaperones

Can we do matching shirts for the kids going on the NYC trip to help keep the group together? It's something to consider, but shirts might not work since it will probably be chilly when we are there. Maybe matching jackets or hats? Angela Cole also suggested matching string bags

Closing

The next booster meeting will be 10/10. We will be switching back to Tuesday meetings in November after football season

Betsy Libby thanked everyone for attending and adjourned the meeting at 7:56pm

In attendance

Bret Pengergast, Band Director

Betsy Libby, President
